PROTEST
ABC LICENSE
FOR PIZZA
RESTAURANTS

In regard to the application of Pizza Restaurants for an On Sale Beer License, the City Manager read a recommendation from the Chief of Police that the City Council protest issuance of the license on the grounds that the restaurant would be approximately 320 feet from the High School East Campus and that sale of beer at this location would aggravate the problem of policing the area. The City Manager stated that the High School Board had taken no action, but that Dr. Lawson Smith, Superintendent of Schools, had voiced his disapproval. Councilman Mitchell moved that the Council accept the recommendation of the Chief of Police and that the City write to the Department of Alcoholic Beverage Control protesting the issuance of an On Sale Beer License to Pizza Restaurants at 531 West Lodi Avenue because the sale of beer in the vicinity of the school would be contrary to public welfare and morals. The motion was seconded by Mayor Culbertson and passed by four affirmative votes with Councilman Katzakian abstaining because of indirect interest.
